ABOUT ENGLISHJIBI CLASSES

ENGLISHJIBI CLASSES is a dedicated English language and grammar learning institute committed to helping students build a strong foundation in English through concept-based learning, systematic practice, and student-friendly teaching methods. Our mission is to make English simple, practical, and enjoyable by encouraging understanding rather than rote memorisation.

With a strong emphasis on conceptual clarity, structured learning, and consistent revision, we guide students to develop confidence in grammar, writing, comprehension, and effective communication. Every lesson is carefully designed to help learners understand not only *what* to use, but also *why* and *when* to use it, enabling them to apply grammar accurately in both academic and real-life situations.

The **SUPER TENSE WORKBOOK** reflects this teaching philosophy. It has been thoughtfully developed to simplify one of the most essential topics in English Grammar—**Tenses**. Each chapter presents concepts through clear explanations, easy-to-follow sentence structures, formula-based learning, memory keywords, practical examples, and carefully graded practice exercises. The workbook also includes revision tools and exam-oriented questions that reinforce learning and strengthen grammatical accuracy.

Whether used as a classroom resource or for independent study, this workbook serves as a reliable learning companion for students preparing for school examinations, competitive examinations, and everyday English communication. Our objective is to help every learner build confidence, improve language proficiency, and achieve lasting success through meaningful learning and regular practice.
